## Birthday Party Packages

Party Theme	Description
<b>Preschool Creative Play</b> (ages 3–5)	Creative play with people, pets, vehicles, structures using Fisher-Price Little People®, LEGO™ville and Duplo™ blocks. We also have circus, pirate ship, school, park and zoo structures. Great for little ones!
<b>LEGO™ Build-a-Thon</b> (ages 5+)	You provide the kids. We provide the LEGOs™ ! We supply thousands of LEGOs™ for free play and building. There are endless possibilities of what you can create! You can also customize your LEGO™ building experience:
<b>Minute to Build It!</b> (ages 5–7 or 8+)	Participate in random LEGO™ and HEXBUG® individual and team challenges such as block tower building, catapult challenge and robot r/c racing. Small prizes will be awarded. Bring it on!
<b>Wheels &amp; Ramps Challenge</b> (ages 5–7 or 8+)	Have a need for speed? Build your own LEGO™ car and race your friends on our oversized ramp. Take a mini version of the car you’ve built home with you!
<b>HEXBUG® Olympics</b> (ages 5+)	Discover the greatness of HEXBUG®, the micro-robotic creatures! Choose from a wide variety of HEXBUGs® and games. Challenge your friends in games such as Hex Bridge Battle and obstacle course. Small prizes will be awarded.
<b>Robotics Birthday Workshop</b> (ages 8+)	What’s cooler than a robotics birthday? Learn to build and program a “5 Minute Bot” in this fun and unique introduction to robotics.
<b>Battle Bots– Sumo Bot</b> (ages 8+)	Ready to Battle? Individual or in teams, prepare your robot with custom weapons for battle in the octagon!
