1. Each Birthday Party will consist of approximately one hour and 30 minutes of activities and 30 minutes for refreshments, gift opening, etc., in our party area. Party activities will be planned to accommodate children in the birthday child's age group. Children under the age of 3 must be accompanied by an adult. Please note that many of our activities involve LEGO™ building bricks which may be dangerous for young children and adults must be responsible for the safety of his or her own child.

2. Robotics Squad will provide the equipment, teachers, instruction, tables and chairs. The birthday child and participants will receive goodie bags. Parents are responsible for providing refreshments and paper goods unless selecting the additional paper goods package for \$40. A deposit of \$100 is due when the party is booked. Phone bookings will be held for no more than 3 days without a deposit. The deposit is non-refundable.

3. Parents must give an estimated number of guests to be invited when the party is booked. A final count must be given at least 2 days prior to the party and any balance due must be paid at that time. Party cost is based on the number of children expected and there will be no refunds for guests who do not attend. All children who will be participating in activities must be included in the guest count, including siblings and the birthday child. **ALL PARTICIPANTS MUST HAVE A RELEASE SIGNED BY A PARENT.** If extra children show up for the party unexpectedly, the charge will be \$20 additional per child.

4. Parents of participants are allowed to enter the program to interact with their children and to take photos and/or videos. **NO PARTICIPANTS, PARENTS OR GUESTS ARE ALLOWED TO ENTER ANY OTHER PROGRAM AREAS AT ANY TIME.**

5. Please help us ensure that the next party can begin on time by **VACATING THE PARTY AREA PROMPTLY** at the conclusion of your party. You may visit with guests in the front lobby or parking lot, but the party area must be emptied on time. Parents may be charged an additional \$25 if they fail to vacate the party within 10 minutes of your party's conclusion.

6. Absolutely no alcoholic beverages, illegal drugs, or weapons are allowed in the NTA TAEKWONDO facility or on the grounds. All parents and participants must follow all safety guidelines set by the Robotics Squad staff. Anyone refusing to follow the coach's instructions will be asked to leave the facility immediately. Rough-housing, foul language and fighting will not be tolerated.

I (we) have read the Birthday Party Booking Agreement outlined above and agree to follow all guidelines set by the Agreement & the Robotics Squad staff regarding the party.
