Socrates Center for Learning (SCL) Registration Agreement

This Agreement executed on the date shown below by and between Socrates Center for Learning (SCL) and the guardian as agreed above and who has signed this agreement below (Guardian.) The Guardian understands that students are added on a first-come, first-served basis for all sessions. Full payment is required upon registration unless arrangements with SCL management have been made in advance. SCL agrees to provide educational instruction, activities and competition in various fields of enrichment and learning to the Guardian during the scheduled instruction hours. SCL reserves the right to cancel or move any class that does not meet the enrollment requirements or would be better served at a different day or time. The Guardian understands that it is his or her responsibility to attend instruction sessions. Students withdrawing from any class at least 72 hours in advance receive a full refund - less a \$25 processing fee. Students withdrawing before the second class receive a 50% refund. No refunds are given after the second class, regardless of attendance. Students withdrawing from week-long camps must cancel no later than one week prior to the start date to receive a full refund (minus a \$50 processing fee).

The Guardian agrees to abide by the rules and regulations governing the conduct and operation of instruction sessions, students, and observers, in order to promote efficiency, safety and recognition of the instruction offered, as prescribed by SCL. The Guardian acknowledges that rules and regulations governing SCL have been adopted, and may be changed from time to time, and the Guardian agrees to abide by all such rules and regulations as adopted or hereafter amended. The Guardian understands that a student may be included in video tape or photography during classes and events that may be used in any or all SCL marketing materials.

Socrates Center for Learning, owners, agents and employees shall not be responsible for damaged, lost or stolen articles, inside or outside the facility. Socrates Center for Learning reserves the right to amend or add to these rules and conditions and to adopt new rules and conditions as it may deem necessary.

The Guardian understands that there is a risk of personal injury involved in the course of instruction or while in the facility, where through interaction with other students, use of the facility and/or use of equipment to perform assigned tasks and with this knowledge agrees to indemnify and save harmless SCL from all losses caused by accident or injury to the Guardian, student, or to third persons, in the event the Guardian, student or said third person is injured in any way during or not during the performance and execution of activities or assignments by SCL or NTA Taekwondo & Sports.

In consideration for the instruction obtained, I agree that the format, teaching style, methods and materials, including intellectual property are owned and exclusive to SCL and use of such without permission of SCL is strictly forbidden, protected by copy write laws and punishable by law.
